## Walking For Jimmy

For Jimmy's annual fundraising event began back in 2013 as a way of celebrating what would have been Jimmy's 21st birthday. We invited hundreds of our supporters to join us walking 21 of London's bridges from Richmond to Tower Bridge and the event has grown year-on-year ever since. Now in its fifth year, we are once again asking our supporters to join us walking across 21 of London's bridges from Richmond to Tower Bridge. Walking For Jimmy is your chance to join our growing community of supporters to raise awareness across the city and help support our work building Safe Havens with young people in their communities.

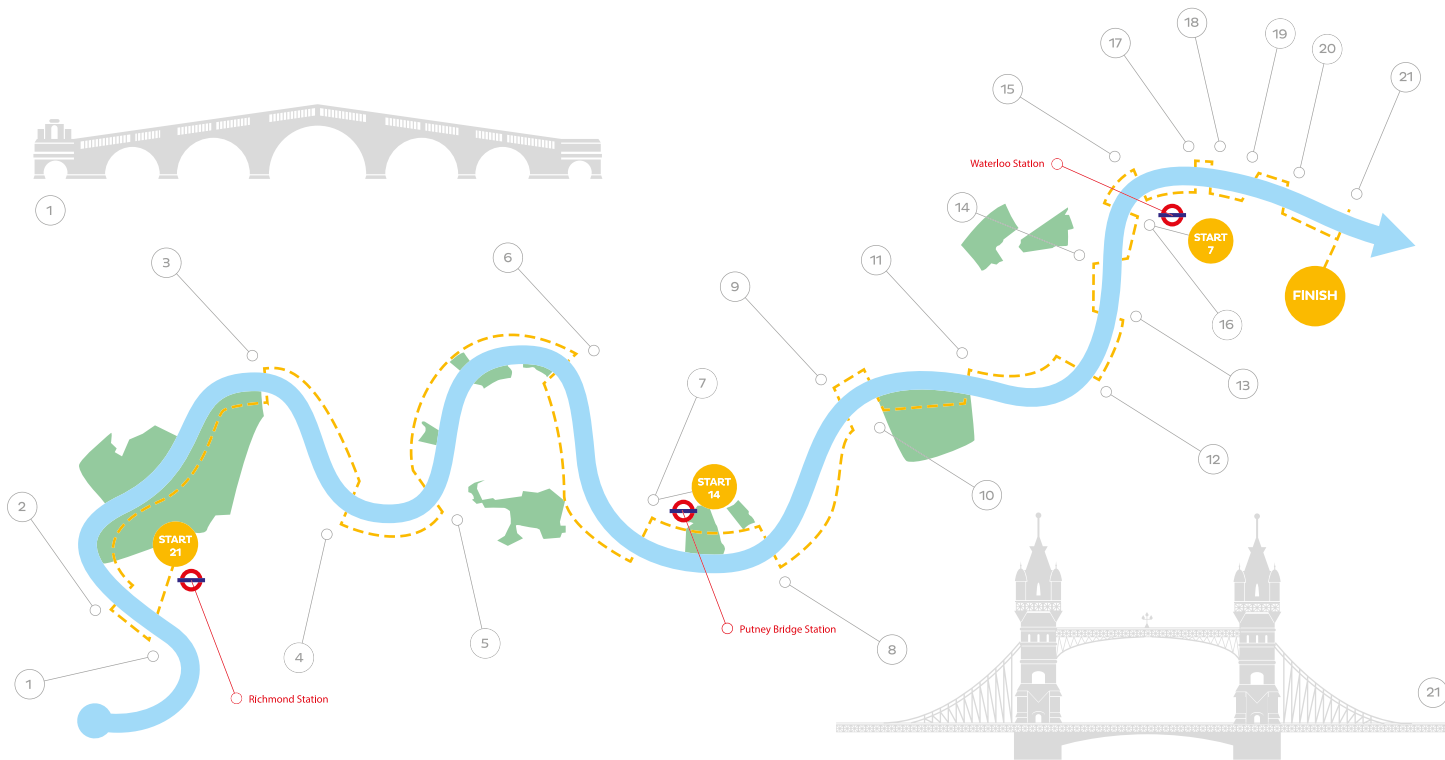

### This year we have three route options:

**21 Bridges:** Richmond Rugby Club to Tower Bridge (Distance of 22 miles)

**14 Bridges:** Putney Bridge to Tower Bridge (Distance of 13 miles)

**7 Bridges:** Hungerford Bridge to Tower Bridge (Distance of 4 miles)

**Finish Line:** Bridge House Bar, south side of Tower Bridge

## Corporate team

As a corporate supporter, we'd love to welcome you and your team to walk alongside us this year. This is a fantastic and fun way to help support our charity, connect with our work and also get your team together outside of the working environment to promote relationship building and closer working.

From our experience, the best way to get a team together is to nominate an ambassador. Your ambassador can create your team on our fundraising platform, take responsibility for getting employees from across your organisation to sign up and make sure you reach your fundraising target.

## Everyday Hero

Our fundraising platform is simple to use and a profile is automatically created when you register to walk. All you have to do is sign up, create a team, set a target and you're ready to start fundraising. For offline donations you can also download a sponsorship form below. You can then simply add these to your fundraising profile online.

To sign up and create a fundraising page follow the registration link at [forjimmy.org/events](https://forjimmy.org/events)
